

HW 9.1

If you took AP Chinese test:

1. Message to test makers (your comments about the test)
2. Message to future test takers (what they need to do to be successful)
3. Message to AP teachers (what should be taught/practiced)

If you didn't take AP Chinese test:

1. Message to future students (what they need to do so that they may consider taking the AP test)
